4.0 DEFINITIONS

4.1 APPLICABLE TUITION
This term means resident tuition is assessed for those eligible for resident tuition; non-resident tuition is assessed for those NOT eligible for resident tuition; staff-rate tuition is assessed for those eligible. This pertains to all counties within a location of Lawrence, Edwards Campus or KU Medical Center. Off-campus courses, including Study Abroad, will be assessed at the resident rates. See KSA 76-729 through 76-731 and BOR 88-2-1 through 88-3-12.

4.2 REGENTS SYSTEM STAFF MEMBERS
As used in this document, includes unclassified and classified staff members holding regular payroll appointments (excluding seasonal and temporary appointments) of the following: Kansas State University, Emporia State University, Pittsburg State University, Wichita State University, Fort Hays State University, Board of Regents Office, University of Kansas, and the Reserve Officer Training Corps (ROTC) units located at the University of Kansas.

5.0 OFF-CAMPUS-CREDIT COURSES
Tuition and fees are assessed on a credit-hour basis at rates equal to resident tuition. All Off-Campus-Credit Courses have locations other than: Edwards Campus, Lawrence or KU Medical Center.

5.1 ELIGIBLE COURSES
All off-campus course work must satisfy applicable Board of Regents policies and regulations. All course work must be offered and must meet outside the Lawrence Area. Course work will not be offered off campus as a means to circumvent policies, which
dictate when resident and non-resident tuition rates should be assessed.

5.1.02 Course work normally taught by appointment may be offered through an off-campus site outside the Lawrence Area provided the course work is an integral part of a degree program, which is offered at the same off-campus site and provided no instructional student/faculty contact will take place on the Lawrence Campus or on the KUMC Campus.
Eligible students are only those who are pursuing ALL other course work toward their degrees at the same off-campus site. The chairperson of the department offering the course will establish advising procedures to limit enrollment to eligible students. The chairperson will regularly review class rosters and initiate an administrative change of section to an on-campus section for any ineligible student. (Univ. Pol.)

5.1.03
The Provost Office will monitor off-campus course offerings for compliance with applicable regulations and policies and may announce additional guidelines for implementation. (Univ. Pol.)

6.0 WAIVERS, REMISSIONS AND SPECIAL PROGRAMS
Staff Rates: Available to Full-time staff (Regents-System staff members): Rates equal to resident tuition are assessed. No required campus fee is assessed. No off-campus-area fee is assessed. All other appropriate fees are assessed when applicable.

6.1
Applications for waivers, remissions, special programs or any other authorization affecting tuition and/or fees must be filed with the Office of the University Registrar by the 30th calendar day after the first day of classes of the term. (Univ. Pol.)

6.1.01
Semester eligibility: Regents-System staff members who have full-time appointments starting not later than the first day of the first full month of the semester and continuing through the 60th class day of the semester. (Univ. Pol.)

6.1.02
Summer eligibility: Regents-System staff members who have full-time appointments starting not later than the first day of summer classes and continuing through the 30th class day of summer classes or who met the semester eligibility criteria for the preceding fall and spring semesters. (Univ. Pol.)

6.1.03
If eligibility for staff rate ends or is found invalid before the last day of the applicable term, Tuition and Fees are reassessed for the entire term in amounts described in paragraphs 1.0 and 2.0. When the students academic dean verifies in writing to the University Registrar that all enrolled course work is completed satisfactorily (not dropped, withdrawn from or failed) prior to the end of the term, thus ending the need for staff status, the student remains eligible for staff rates for that term. (Univ. Pol.)

6.1.04
Exception for post-doctoral students: The appointment starting date requirement may be waived by the University Registrar for new, first-time post-doctoral students arriving and enrolling later in the term in not more than one credit of research per term. (Univ. Pol.)

6.1.05
Affiliated Corporations: Available to full-time staff (100% appointment) of affiliated corporations (Alumni Association, Kansas and Burge Unions, Athletic Association and The University of Kansas Hospital Authority) may receive a waiver of required campus fees and/or area fees by following procedures announced in the Timetable of Classes. Dependents of affiliated corporation staff are not eligible for staff dependent waivers. (Univ. Pol.)

If at the time of scheduled fee payment the student-veteran (excludes Section 31) has not received
an educational benefit
check covering any part of the term for which he/she is enrolling and for which the student is
eligible, the student-veteran may
pay his/her tuition and fees in two installments. The installment amounts are based upon the
benefits the veteran will receive
and determined by the Office of the University Registrar. Payment of the first installment is
required by the announced due date
in order to maintain enrollment. Payment of the second installment is due October 10 for the fall
semester, March 10 for the
spring semester and July 10 for the summer session. If the second installment is not paid by the
due date, the student-veteran
will no longer eligible for deferments and a hold will be placed on the student-veteran's account.
Exceptions may be approved
in accordance with guidelines announced by the Provost.

7.2 STUDENTS SPONSORED BY GOVERNMENTAL, EDUCATIONAL, SCHOLARSHIP OR FELLOWSHIP AGENCIES
The student may tentatively satisfy his/her obligation for paying tuition and fees by presenting an
authorization letter from the
students sponsor on or before the students fee payment due date. The obligation to pay tuition and
fees will revert to the
student if the sponsor does not pay the billed amount.

7.3 DEFERRED PAYMENTS FOR GRADUATE TEACHING ASSISTANTS AND GRADUATE RESEARCH ASSISTANTS
If at the time of scheduled fee payment the affected student has not received a paycheck covering
any part of the term for which
he/she is enrolling, the student may defer payment of tuition and fees until the date the first
full paycheck is available to be
issued.

7.4 DEFERRED PAYMENTS FOR STUDENTS WHOSE FINANCIAL AID CHECKS HAVE NOT YET ARRIVED AT THE SCHEDULED
If the student’s eligibility to receive financial aid is verifiable prior to the students fee
payment due date, the Director of Student
Financial Aid may authorize the deferment of payment of tuition and fees in accordance with the
Board of Regents Policy and
Procedures Manual (Chapter 2, Section E).

A deferment fee of $50.00 is assessed if the student failed to submit a complete financial aid
application at least 45 days prior
to the student’s scheduled fee payment date.
7.5 DEFERRED PAYMENTS FOR STUDENTS EXPERIENCING UNEXPECTED PROBLEMS IN PAYING TUITION AND FEES
The Comptroller may defer payment of tuition and fees when mitigating circumstances support such decisions. A deferment fee of $50.00 is assessed. The student’s obligation to pay regularly assessed tuition and fees is not reduced by an approval to defer payment.

7.6 LATE ENROLLMENT FEES

7.6.01 A fee of $75.00 ($50.00-KUMC) is assessed for an enrollment submitted beginning with the first day of Late Enrollment. This fee increases to $150.00 ($100.00-KUMC) on or near the 5th day of classes. These effective dates are proportionally adjusted for the summer session.

7.6.02
A late-enrollment fee may be waived in accordance with guidelines announced by the Provost. (Univ. Pol.)  

7.6.03
Late Enrollment fees are assessed in the appropriate amount for each infraction and accumulate if there are multiple infractions for a given term. (Univ. Pol.)

7.6.04
A late payment fee of $100.00 (fall and spring terms) or $50.00 (summer) will be assessed each month for unpaid tuition and fee balances for two consecutive months. 7.6.05
For resubmitted or reinstated enrollments a reactivation fee will be assessed. This fee is $75.00 prior to the sixth day of classes. The fee increases to $150.00 on the sixth day of classes. These effective dates are proportionally adjusted for the summer session. This section is not applicable to KUMC. (Univ. Pol.)

8.0 REFUND/ADJUSTMENT POLICY
The following refund/adjustment policy applies only to tuition, differential tuition (for example: Law, Pharmacy, Engineering, Business, etc), the required campus fee, the off-campus-area fee and the Edwards Campus construction fee for a student who withdraws from the University or reduces his/her enrollment such that a different amount would normally be assessed:

8.1 First Adjustment Period: Through the last business day prior to the first day of classes or the scheduled financial aid and scholarship distribution date (whichever comes last): 100% adjustment.

8.2 Second Adjustment Period: 90% adjustment - 1st day - 5th day.

8.3 Third Adjustment Period: 50% adjustment - 6th day - 20th day

8.4 After the Third Adjustment Period: No adjustment - after 20th day.

8.5 Above schedule is proportionally adjusted for short courses and terms other than the standard 15-week semester.

8.6 Exceptions when mitigating circumstances apply may be approved in accordance with guidelines announced by the Provost. Detailed guidelines for mitigating circumstances; call to military service, jury duty and cases of student death are available from the University Registrar. (Univ. Pol.)

8.7 An obligation to pay tuition and fees in full is incurred at the time the student enrolls in or adds a course or courses. A student’s obligation to pay tuition and fees may be adjusted according to the above schedule whenever credit hours are dropped. (Univ. Pol.)

8.8 Tuition, campus fees and off-campus area service fees assessed on dropped credit hours will apply in full to the same number of added credit hours provided one of the following conditions are met: 1) when drops and adds are completed on the same day or 2) when all changes occur during the 90% period or when all changes are made during the 50% adjustment period.

8.9
In the event the student does not receive an expected adjustment/refund or in the event the amount of the adjustment/refund is different from what was expected, the student may submit a written appeal, but not later than 20 days after the student is notified of the assessment/adjustment/refund and no later than the last day of classes for the term in question. (Univ. Pol.)

8.10
Federal regulations may require students attending the University, who receive student financial aid (grants, loans or work

Page 7 CFS Univ FY2005
assistance) under Title IV or whose parent receives a loan under Title IV on behalf of the student, who fully withdraw from the University, to be subject to a different refund policy. Contact the Office of Student Financial Aid for details.

costs for lost (non-returned) materials and equipment, each including a service fee.

19.1 CHARGES FOR LATE RETURN OF LIBRARY MATERIALS AND EQUIPMENT
Each item must be returned in good condition by the date (or date and time) due. Overdue charges are assessed for each physical piece for the hours and/or days the lending library is open beginning with the expiration of the date (or date and time) due.

19.2 REPLACEMENT AND DAMAGE CHARGES FOR LIBRARY MATERIALS AND EQUIPMENT DAMAGED OR NOT RETURNED
If the borrower fails to return or renew library materials or equipment within the specified time period, the borrower is subject to being billed for the replacement cost of the item in addition to the $20.00 service fee, and when applicable, the maximum overdue fine. Should an item be declared lost by the borrower before it is due, the replacement cost, the $20.00 service fee, and the maximum overdue fine shall be imposed.

If library material is returned within thirty days of the original lost-item billing, the cost for the replacement and the $20.00 service fee will be canceled or refunded; any applicable overdue charges stand. After thirty days of the date of original library billing for library material, the $20.00 service fee will not be waived, canceled or refunded; any applicable overdue charges stand. If a piece of equipment or equipment component is returned within seven days of its due date, the cost for the replacement will be canceled or refunded, but the maximum overdue fine and the $20.00 service fee will stand.

Borrowers who damage library materials or equipment are subject to charges that may vary according to the extent of the damage. For seriously damaged material or equipment, the Library may assess the borrower replacement charges, service fees, and maximum overdue charges, when applicable. Damage charges (and any service fees associated with the damages) for items loaned by other libraries to KU patrons are determined by the lending library.

19.3 THEFT/INTENTIONAL MUTILATION OF LIBRARY MATERIALS AND EQUIPMENT
As a deterrent to theft and intentional mutilation of library materials and equipment, and as a means to recover the cost of resulting damages, the library will prosecute persons who willfully damage Library materials and equipment, who intentionally misplace books in the Library so as to deprive others of their use, or who willfully and without authorization take or attempt to take materials or equipment from the Library. To insure uniform proceedings, penalties, and protection of rights in such cases, it is the practice of the Library to pursue criminal and/or civil, rather than University, procedures against individuals charged by the Library with these offenses.
19.9 SUSPENSION OF BORROWING/ACCESS PRIVILEGES
Borrowing privileges are suspended if the borrower: 1) Accumulates a total of $80.00 or more in unpaid library charges; 2) Is no longer enrolled or employed by the University; 3) No longer has a valid KU Library Borrower Card. Proxy privileges will be suspended if the combined total due from the sponsor and all proxies equals $80.00 or more if the sponsor is no longer enrolled or employed by the University.

Unless on appeal, Library charges and all other University charges must be paid promptly. Failure to do so results in loss of borrowing privileges, the placement of holds on transcripts and enrollment; referral of charges to collection agencies; and/or garnishment of paychecks, state income tax refunds, etc.

In addition, borrowing privileges may be suspended if the borrower's record contains incomplete or inaccurate information, at the request of reciprocal arrangement libraries, for flagrant and repeated breach of Library regulations, or for other good cause.

19.10 APPEALS RIGHTS
The borrower has the right to appeal any Library charge within 30 days of the date that appears on the original Library billing.
20.0 PARKING FEES AND FINES
